973-316-2507 northstarsnj@optimum.net

To participater in the GAP Program please fill out a registration form, send a certificate of insurance listing the gyms address that you will be atternding, and email to hosting gym.

Please keep all routines to one minute if possible for floor and beam, unless they are working in a pre team program or any other that requires a longer period of time. Trying to keep our GAP events within a three hour session.

Our meets are going to be 2-3 sessions, and we went from 3 to now 7 on the calendar. Every year we are expanding, and I truly believe it's because we all have such a love for gymnastics. This program gives everyone a chance to perform.
